The narrative follows Percy Jackson, who awakens in a strange world where the Greek gods are dead and the Roman pantheon has taken over. Percy, along with new companions—Grecian demigods Hazel Levesque, Frank Zhang, and the mysterious Calypso—must navigate a world that feels both familiar and alien. Their quest centers on finding the missing goddess Athena, preventing a looming war between the gods, and uncovering Percy's true destiny.

- Hazel Levesque – A demigod of Ceres, struggling with her own identity and the weight of her heritage.
- Frank Zhang – A demigod of Mars, whose shapeshifting abilities make him a valuable ally.
- Calypso – A sea nymph who holds a secret that could change the course of the gods' war.
- Gorgon – The antagonist who seeks to resurrect the ancient gods.
